

RESTFUL API

Getting API key

You can get API-key from your profile page in atoj-games page. If API-key is not shown press refresh and it will generate one for you.

This only work if you're a developer.

Game sales API

Url: /api/get_games_sales/

request type: GET

parameters:

- **api-key** (this is from your profile page)

example:

http://localhost:8000/api/get_games/?api-key=9132a1e47da90fae410d84d02a0299305c089b4b

Games list API (fully public)

Url: /api/get_games/

example:

http://localhost:8000/api/get_games/
